

Independent Living Mission

It is the mission of Centers for Independent Living throughout the nation to assist individuals to live as independently as possible in the community of their choice. This mission incorporates personal choice and respect for each individual's needs and abilities.

Centers for Independent Living are bridging the gap to provide seamless services to consumers, families, and caregivers.

AGING & DISABILITY RESOURCE CENTERS

This project is funded by a three year Federal grant awarded to the Alaska Housing Finance Corporation from the US Department of Health & Human Services, Administration on Aging, and Centers for Medicare and Medicaid Services.

Let us help you find what you need.

Offering information, referrals, access, and services to seniors and persons with disabilities

The Centers for Independent Living are your Aging & Disability Resource Centers

Why contact your area Center for Independent Living ?

All Aging & Disability Resource Centers within your local Center for Independent Living offer the following services:

Information & Referral: Resource specialists are available to help you to help find the answers and assistance in your community for your specific needs.

Prescreening for Medicaid eligibility, waivers, and other State Senior and Disability services and programs.

Assistance in applying for services and programs including completion of forms.

Advocacy and Peer Counseling to teach you how to be an informed consumer, to help you understand your rights as a consumer, and to obtain appropriate benefits when needed.

Access to long term care support and options through community networking. Centers for Independent Living have positive relationships with community providers to help assist you with the various options available.

Answers for Alaskans, their families, and caregivers.

Assist consumers and their families to examine all community options before major life changes are made. Centers for Independent Living serve as Alaska's Aging & Disability Resource Centers and assist individuals regardless of age, income, or disability.
