Joan, Tristan, Sierra, co-workers, and the SAIL Board of Directors,

I have been so blessed to work at SAIL and to know all of you. I feel so lucky that 5 years ago Sierra followed her instinct and held off for just the right person. I know that SAIL was just the right job for me and I hope that I turned out to be the right person for the job. I know that you guys know this and practice it everyday, but I will say it anyway. A person's workplace is so much more than just a place or a job. It consumes the majority of your day so when you find a place with a philosophy that espouses kindness, acceptance, and personal growth on top of professionalism, integrity, and hard work, it is no small matter. Thank you creating and maintaining that spirit and for letting me be a part of this very unique and special tribe! SAIL and all of you will be in my heart forever!

Any of you who wish to stay in touch, please do. I am on Facebook, and my personal email is tmsebens2002@yahoo.com. I welcome visitors anywhere I am. Don't know where that will be yet...just somewhere in NC at first.

Take care all!

Much love,

Margaret
